Additional Information

What is the deposit?

We require a Lm100 (€233) non-refundable retainer fee to secure a chocolate fountain for your date. We do not hold dates without a deposit.

What else should I know about the chocolate fountain?

We require that you provide a level table, and a 220 volt grounded electrical outlet and the linens and decorations for the chocolate fountain.

Can I use the chocolate fountain outside?

When it comes to outdoor chocolate fountain rentals, we generally suggest no. The only exception is if the chocolate fountain is completely enclosed or in an area where absolutely no wind would be able to reach it.

Do you provide the dipping items?

Yes we provide marshmallows and meringues in the standard package. And in the Deluxe package we offer the marshmallows and meringues, together with a choice of five different fruits, lusciously displayed on the day. Our chocolate fountain representative will arrange these items around the fountain on the table in platters.

The Chocolate Fountain can be hired independently from the catering!
